Dear Bryan:

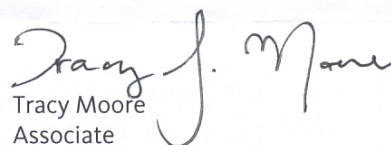

We wanted to tell you what a pleasure it was to work with you and your whole Mission team during the construction of the Alief Sharpview Headstart Center. The quality of the work of all the trades is admirable, and your efforts accomplishing the smoothest possible coordination were acknowledged by all of us. We particularly appreciated your sensitivity to design details and your unfailing efforts to ensure they were executed with the highest level of precision.

The measure of a successful project is the satisfaction of the owner. We could not be more pleased that Neighborhood Centers, Inc. has been bringing all of their people over to Cook Road to admire the work we did together!

Thanks again for doing such a great job. We look forward to working with you on the next project. Immer besser!

Sincerely,

Barry Moore, FAIA
