Thank you for the very fine jobs you did remodeling our sewing-room in our Texas house. Working across the miles (NY to TX) is difficult – not sure who you can trust or who will do good work. We had a contractor lined-up to do the job, but their schedule and ours didn't align and we needed the work accomplished FAST in order to fit with our planned Holiday stay in Texas this year.

The removal of our old closet and shower, the enlargement of our sewing room went so smoothly, and so fast it was amazing. The typical "unplanned-for-tasks" and the unanticipated were both handled well and at minimal delay and cost. The new walls, ceiling, and floor look great, and the room looks fabulous. You hauled away all the old debris, and cleaned up the area making it walk-in ready for us. Thanks so very much.

We found B&H Contracting a pleasure to work with, willing to accommodate changes, knowledgeable in all-things-construction, fast, and efficient, delivering fine quality work in a reasonable time for a reasonable price. We shall be sure to contact B&H Contracting for any future work and will tell our friends what a great company we have found in Delta County Texas.

Best Wishes for a prosperous 2012.
